05. No images found in this page.

Therefore, it is easier to be archived.

Rating 100% ...Il Significance: ★★ Cohesion

06. You are not using any external proprietary objects (Flash, Quicktime).

Proprietary formats are not recommended for long term preservation. Please consider changing your content to open formats.

...|| Significance: ★★★ Accessibility Standards_Compliance

Reference: http://www.ands.org.au/guides/file-formats-working.html (http://www.ands.org.au/guides/file-formats-working.html)

07. A Network response time is 3000 ms

Website performance affects greatly the process of data aggregation and web accessibility. Performance evaluation rating is 100 when response time is 200ms or less and 0 when response time is more than 2sec.

...| Significance: ★★★ Accessibility

Reference: https://developers.google.com/speed/docs/insights/Server (https://developers.google.com/speed/docs/insights/Server)

08. ☑ There are no "Disallow:" commands in your robots.txt file

Disallow: commands are used to block web bots from specific website areas. They may cause web archiving problems.

...Il Significance: ★★ Accessibility

Reference: http://www.robotstxt.org/robotstxt.html (http://www.robotstxt.org/robotstxt.html)

09. A There is no sitemap.xml reference in your robots.txt file.

This can be used to tell search engines or other robots where your sitemap is located.

Rating 0% ... Significance: ★★ Accessibility

10. A No sitemap.xml found.

Sitemaps are an easy way for webmasters to inform web bots about available web pages so that they can more intelligently crawl the site.

...| Significance: ★★★ Accessibility

Reference: http://www.sitemaps.org/ (http://www.sitemaps.org/)

11. • Retrieved HTML document in 0.32 sec.

Document retrieved successfully.

12. A Invalid HTML document https://www.ashtray.ru. 7 errors.

The character encoding was not declared. Proceeding using "windows-1252".

Start tag seen without seeing a doctype first. Expected "".

Attribute "cols" not allowed on element "frameset" at this point.

Attribute "border" not allowed on element "frameset" at this point.

The "frameset" element is obsolete. Use the "iframe" element and CSS instead, or use server-side includes.

Attribute "target" not allowed on element "frame" at this point.

The "noframes" element is obsolete. Use the "iframe" element and CSS instead, or use server-side includes.

...|| Significance: ★★★ Standards_Compliance
